CORE BUSINESS AREAS

Equipment Sales

With a fresh stock sourced from our domestic and worldwide network and our own fully equipped workshops with skilled personnel to carry out anything from full refurbishments to single repairs, MHS Unlimited is here to assist you with all your heavy equipment needs.

Our objective is to supply the most suitable machinery for the job, always taking into account factors like your budget, climate, location, operating conditions and availability of skilled personnel.

Rental

MHS Unlimited is a premier, full-service equipment rental provider, feeding our customers the equipment, services and solutions they need to achieve optimal performance safely, efficiently and effectively.

We strive to have the best and broadest selection of premium rental equipment available and ready when our customers need it, ensuring it performs as promised and providing unsurpassed customer service at every opportunity.

Spare Parts

The supply of spare parts, wear parts and consumables is an essential part of our business, and is handled by the MHS Unlimited parts business unit. Order handling is managed by our spare parts and technical experts. We have a large parts inventory and an efficient ordering and logistics system in place. We offer an emergency airfreight delivery service anywhere which means low downtimes.

CORE BUSINESS AREAS

Services

MHS Unlimited has a proven track record in delivering solutions on time and on budget to a diverse range of applications, backed with technical expertise and worldwide integrated support services. We have service-oriented teams of qualified engineers and skilled technicians for repair and maintenance as well as full refurbishment. We can deploy skilled engineers and diagnostic tools for support and technical backup services anywhere in the region. MHS Unlimited introducing cloud-based field service management solution aimed at managing real-time mobile employees such as technicians, inspectors, service-oriented employees and investigators. MHS Unlimited delivers a complete, intuitive and affordable solution. Companies use our services to handle everything from customer management to scheduling, workforce optimization and parts management. Precision, commitment, understanding and friendliness are the foundations of our philosophy, which makes our team our best asset.

Programmed Preventative Maintenance

We'll do more than just perform a routine check on your equipment. We'll take it through a thorough inspection to make sure that everything works as well and as efficiently as they should.

Breakdown Maintenance

We can diagnose the issue even before we get there. Simply tell us the problems you're encountering over the phone and we'll know which professional to send you.

CORE BUSINESS AREAS

Logistics & Transportation

We aim to do business in ways that preserve and protect the interests of our employees, customers, carriers, investors and the world in which we live.

We oversee all the logistics and supply chain cycles from the ordering to the delivery. These services include taking care of customs, export documentation and insurance as well as organizing the Ocean/Air freight or road transport, delivery to port, handling, loading and shipping.

Actions Organizing & Equipment Valuation

part from purchasing and selling machinery, we also organize a couple of equipment sales auctions and provide equipment valuation based on the current market situations.

These auctions are organized in close collaboration with renowned auction houses and companies who want to sell their used machines.

MHS Unlimited is offering customers end-to-end solutions for buying and selling used and unused heavy equipment, trucks and other assets.
